CANCELLATION POLICY

Dear Valued Patient:

We pride ourselves on keeping our costs affordable for our patients. One way we do that is efficient use of equipment and professional staff. If your appointment time becomes inconvenient for you, we are always happy to change it if you provide us with two (2) business days' notice. This allows us to schedule in a patient who may be in urgent need of care.

Missed or broken appointments represent a cost to us, to you and to other patients who could have been seen in the time set aside for you. This interferes with your dental treatment and creates unnecessary scheduling problems for other patients.

We strive to accommodate the scheduling problems for other patients. And we will make every effort to keep your schedule on time. Failure to provide us with 48 hours advance notice or failure to show up for a schedule appointment will result in an appointment deposit fee or "walk in only" status.

Our goal is communicating our cancellation/no show policy is to avoid any extra charges from occurring.

We thank you for your cooperation and understanding.
